About Us

We at Grillfellas Catering Co. specialize in authentic Santa Maria style BBQ. Our choice cuts of Tri-Tip, Rib Eye Steaks & our Juicy Chicken are grilled over a live Red Oak wood fire. We never boil, bake or steam our meats. Our Carolina Pulled Pork and St. Louis style Spare Ribs with our special rubs & spices are smoked for hours using a combination of Apple, Cherry & Hickory wood. Low & slow is the key. **The way it was meant to be cooked!** Our homestyle side dishes can only be described as authentically delicious. They are always made fresh for each event.

To fulfill your needs we bring our BBQ & Catering trailer to your location or we drop off. If you are having a Wedding, Family Gathering, Beach Party, Picnic or Corporate Event, give the talented people at Grillfellas a call. We will make your event an unforgettable one.
